“ Thai International Education Consultants Association ”

Who is TIECA ?

TIECA (Thai International Education Consultant Association) was established in 1997. TIECA is the only professional education agent association in Thailand. TIECA has served as a QUALITY assurance body ensuring the highest counseling standards for Thai students seeking to study abroad. TIECA members have the abundant overseas study experiences and strongly commit to support the partner institutions to increase the education standard in Thailand. With the group of highly professional members, TIECA arranges the bi-monthly meeting in order to update the market trend, the current visa situation and other relevant issues among members. We are closely collaborating with the embassies and the related educational partners in the industry.

TIECA is a member of Board of Trade of Thailand, FELCA (Federation of Education and Language Consultant Associations), and affiliate member of World Youth Student & Educational Travel Confederation.
