Introduction to Unizhome

Who we are?

Unizhome is a B2B platform connecting international students with accommodation providers, offering tailored housing solutions that meet the specific needs of students coming from abroad.

Our Parent Company

Unizportal: A trusted partner to leading universities in UK & US. It has successfully facilitated the relocation of nearly 1500 students to the UK this year.

Market Overview

Growing demand for accommodation

This year, around **1500 students** from Unizportal partner universities arrived in the UK, all requiring suitable accommodation.

Key Pain Points

Students seek reliable, affordable, and well-located accommodation, while universities look for trusted partners to ensure a smooth transition for their students.

Why Partner with Unizhome?

Direct access to International students

Unizhome provides a direct channel to students from prestigious London universities, streamlining the process of connecting students to available accommodations.

Trusted Partner Relationships

Our established relationships with universities make Unizhome a reliable partner for housing providers.

High Volume

With approx. 1500 students annually, our partnership can help fill your accommodation units quickly and consistently.
