THE KCL DIWALI SHOW

Our Event

The KCL Diwali show is our showstopper event of the year. Organised and led solely by students, the show has continued to build a reputation for being the largest and most successful Diwali show in London. During the auspicious time of Diwali, we unite as a society, to celebrate all faiths and nationalities.

Hundreds of members come together for a night of dancing, fashion catwalks, musical displays, and acting performances; all of which is motivated by the aim to donate to various charities! Thank you to all our sponsors, charity sponsors, performers and all of you that made this event possible! A big thank you to you for supporting us and we hope you have a great evening!

Love from the Diwali Show Committee xx

OUR CHARITY PARTNERS

The heart of our show are our charity partners. As a committee we wanted to have a charity that targets: children, education, mental health, first aid and food, respectively. We have chosen the below charities because we strongly agree with their aims/goals, and want to aid them in to fulfilling their visions.

AKSHAYA PĀTRA
Unlimited food for education

The Akshaya Patra Foundation is a non-profit organisation in India that runs the world's largest Mid-Day Meal Programme, serving 1.8 million children every single day at schools. They also serve about 3,000 freshly cooked meals daily to the homeless and rough sleepers in Greater London. For 20 years and counting, Akshaya Patra, has been tackling hunger and malnutrition among children in India and the UK. Their mission is to ensure no child is deprived of an education because of hunger.

Mind is a mental health charity in the UK. They offer advice and support to empower anyone experiencing a mental health problem. They also campaign to improve services, raise awareness and promote understanding of the same. Given the recent pandemic, mental health has become an integral cause that needs to be supported and, mind has already been doing so for 70 years, through public campaigning, influencing decision makers thereby, touching millions of lives.

In aid of mind

Pratham UK
Every Child in School & Learning Well

Pratham is an innovative learning organization created to improve the quality of education in India with its programs reaching millions of lives every year. Pratham focuses on high-quality, low-cost and replicable interventions to address gaps in the education system. Pratham's strategies reconfigure teaching methodologies, break down traditional tactics, and challenge the current rote learning mechanisms in our schools by creating programs that are innovative and outcome driven.

St John Ambulance is a volunteer-led, charitable organisation dedicated to the teaching and practice of first aid and the support of the national emergency response system in England. St John Ambulance campaigns to raise awareness of the importance of first aid and equip more people with life-saving skills. They also provide first aid cover at thousands of events every year such as at the London Marathon, football matches etc and have trained thousands of volunteers to become vaccinators to help the NHS with the vaccination programme.

ST JOHN AMBULANCE
SOCIETY

THE HOPE FOUNDATION
HOPE
WORKING WITH STREET & SLUM CHILDREN

The Hope Foundation rescues abused and abandoned children from the streets and slums of Kolkata, India and provides the necessary support programmes to protect and empower these vulnerable children, and their families, to help them to build better futures. It is their goal to protect and empower these children to break the cycle of poverty through the provision of programme areas covering, child protection, healthcare and nutrition, education, life skills and vocational training, awareness and capacity building, and emergency response. We are supporting Hope's Big Give Christmas campaign that is raising funds to protect and empower young girls living on the streets in Kolkata.
